Your State Pension forecast

Dear Mrs Burns

You can get your State Pension on
2 December 2030, when you'll be 66. Your estimate is

£155.65 a week

£674.48 a month, £8,093.80 a year

Your estimate

- is not a guarantee and is based on the current law.
- It does not include any increase due to inflation.

You need to continue to contribute National Insurance to reach
your estimate

	pension a week
Estimate based on your National Insurance record up to 5 April 2016	£110.15
Estimate if you contribute another 10 years before 2030	£155.65

£155.65 a week is the most you can get

When you reach £155.65, you still need to pay National Insurance until 2030 as it funds other state benefits and the NHS.
